Treasurer's Report: No report at this time

Softball area head: See attached report.

Baseball area head: Dan/Randy to get John Coady game cards, reminder to fill out game cards correctly to avoid forfeit of games. All RBSA coaches need to call opposing coaches and give them directions to home games.

2008 Field Day and Jamboree: Both events were very successful. Thanks to all the volunteers that worked hard on field day and to all the volunteers that made the jamboree positive and fun for our kids (regardless of the weather).

2008 Coaches Responsibilities:

Baseball coaches need to either update their expired NAYS card or take the online NAYS course. www.nays.org

Starting the week of 5/5 all previously assigned practice times are finished. Contact Mark H. for practice availability. Practices are on a first come first serve basis. All games take precedence over practice.

Dave J. to have coaches clean up registration fees and ticket money collection for their individual teams. Most issues were cleaned up during meeting.

Baseball umpire coordinator: Mark H. reported all fields will be prepped prior to games except for Ogden. Coaches will need to arrive early to prep Ogden. T-ball and Majors coaches still need to prep their own fields for games. RBSA will have 4 school aged umpires. Coaches are reminded to respect the umpires and keep fans in line during games.

In the event of a cancelled game, home coach needs to call Mark H. by 4:30 at the latest. Softball coaches need to call Paul R. by 4:30 also.

Open to Questions: No questions.

Next meeting: Next meeting will be scheduled for July, tentatively.

Meeting adjourned at 7:55 pm.
