

RBSA Board/Coaches Meeting 8/7/08 Minutes

Meeting called to order by Dave J. at 7:00 pm

In attendance: Steve Winner, Matt Phillips, Dave Jordal, Mark Higashihara, Steve Griffis, Todd Bennett, Jess Seifert and Cal Monsrud.

Motion passed to approve April minutes.

Treasurer's Report: Todd and Dave to contact the 4 coaches that have outstanding "Coaches Account" balances to clear accounts up. Possibility of keeping equipment deposits of said accounts. "Coaches Responsibility" form needs to be amended with correct team fee amounts. Matt to provide old minutes that prove team fees were discussed and coaches that attended the meeting.

Softball area head: Not in attendance, no report. Softball area head is stepping down. A new SBAH will be needed for the 2009 season.

Baseball area head: Not in attendance, no report. Baseball area head is stepping down. A new BBAH will be needed for the 2009 season.

2008 Season Re-Cap:

Baseball: Instructions on the web site and at registration about assessments were apparently not clear enough. Parents would like more correspondence on how assessments are done and exact hours assessments are held. Parents would like knowledge of rules about the draft. Parents are strongly encouraged to attend more RBSA meetings to gather this and other information.

Softball: Season ran relatively smooth, some issues with umpires not showing up to games especially at the younger levels. Note: Softball umpires are organized through Clackamas County not RBSA.

Baseball umpire coordinator: Mark H. reported baseball umpires did well, there were some issues of coaches waiting too long to cancel games and umpires were paid the minimum fee for showing up for no game. The balk rule was the most common issue that came up with the younger players.

Dave will be sending out a parent survey to all registered families to gain feed back on how their season went.

Steve W. Will try to pour concrete on 8/23 at the equipment container at FM. Volunteers are needed. 9:00 start time.

Open to Questions: Some discussion about Fall Ball from attendees.

Next meeting: 9/4/08

Meeting adjourned at 7:55 pm.
